->Queue page:

The screenshot shows the Synaps interface during a session queue. At the top left is the Synaps logo. At the top right is a button labeled 'first session'. Below this is a table titled 'Active users' with three columns: 'Picture', 'Email', and 'Name'. The table contains two entries:

Picture	Email	Name
	mm_oucherif@esi.dz	OUCHERIF MOHAMEDOUAIL
	mr_idja@esi.dz	IDJA RAYANE

At the bottom left are two blue circular icons for chat and a microphone. At the bottom right is a red 'Help' button.

## 6-Brainstorming section:

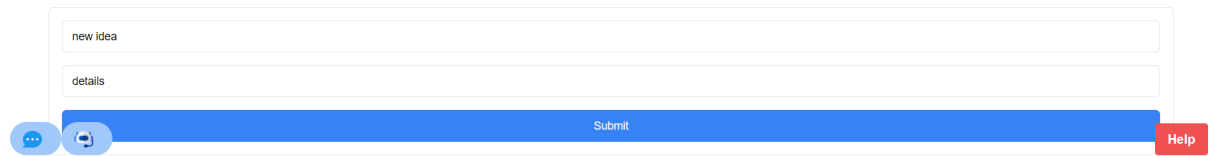

session page:

The screenshot shows the Synaps brainstorming session interface. At the top left is the Synaps logo. At the top center is a button labeled 'first session'. At the top right is a timer showing '00:02:54'. The main area contains two large colored rectangles: a green one on the left labeled 'idea 1' and a red one on the right labeled 'idea 2'. Above each rectangle is a small square containing a user profile picture. Between the two rectangles are three horizontal arrows (left, center, right). At the bottom left are two blue circular icons for chat and a microphone. At the bottom right is a red 'Help' button.

Idea submission in brainstorming session:

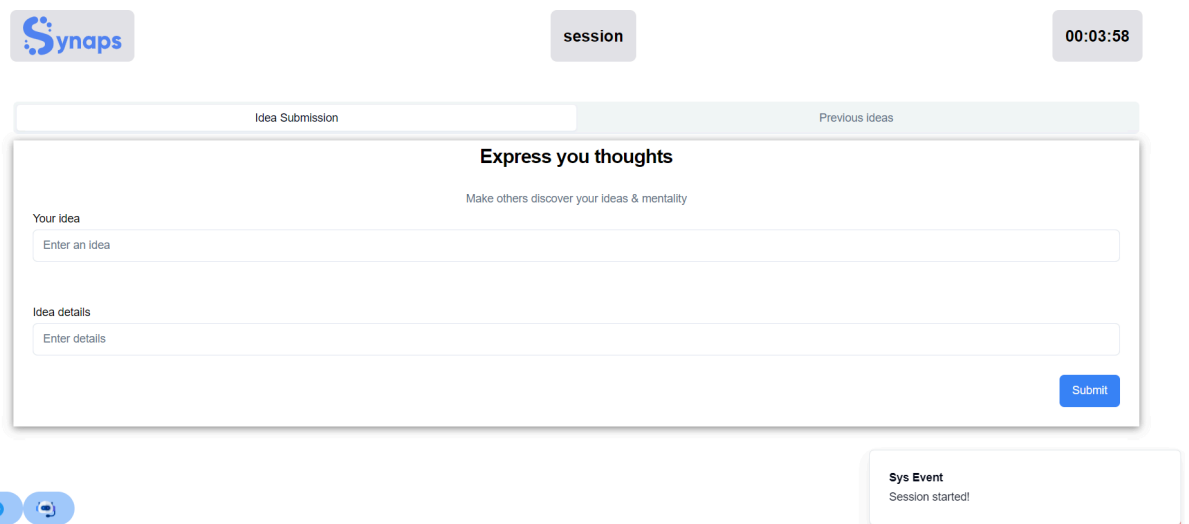

Head to the footer of the page:

A screenshot of the bottom of the page showing a form for submitting a new idea. The form has two input fields: "new idea" and "details". Below the fields is a blue "Submit" button. To the left of the button are two circular icons: a blue one with three dots and a blue one with a speech bubble. To the right of the button is a red "Help" button.

## 7-Brainwrting section:

-submission:

A screenshot of the Synaps session interface. At the top, there is a "Synaps" logo, a "session" button, and a timer showing "00:03:58". Below this is a tabbed interface with "Idea Submission" and "Previous Ideas". The "Idea Submission" tab is active, showing a form titled "Express your thoughts" with the subtitle "Make others discover your ideas & mentality". The form has two input fields: "Your idea" (with placeholder "Enter an idea") and "Idea details" (with placeholder "Enter details"). A blue "Submit" button is at the bottom right. To the right of the form is a "Sys Event" box that says "Session started!". At the bottom left, there are two circular icons: a blue one with three dots and a blue one with a speech bubble.

-Visualisation : click on previous ideas button .

## Messaging and chatbot usage:

click on the right buttons to use them

A screenshot of the Synaps interface showing a grid of idea cards. The cards are arranged in a 2x3 grid. The first two cards are green and labeled "idea 1" and "idea 2". The third card is red and labeled "idea 2". The fourth card is green and labeled "idea 5". The fifth card is red and labeled "idja's idea". A "ChatBot" window is open on the left, showing a list of ideas and a "Send" button. The "ChatBot" window has a title bar with a close button. The list of ideas includes: "2. Establishing a platform for connecting local farmers with restaurants and consumers to streamline the supply chain and support sustainable, locally sourced food options." and "3. Developing a digital self-care assistant app that utilizes AI to provide personalized recommendations for mental health and wellness activities based on the user's mood and preferences." At the bottom right, there is a red "Help" button.

## 8-Ideas development section:

-user clicks on the icon of submitter to do different ideas manipulation (expanding , refinement , deletion and expansion)
